

**Joe Larizza,
CEO and Founder, Mirador LLC:**

Joseph Larizza founded Mirador, LLC in 2015 after 18 years of cumulative experience at several of the most esteemed investment firms in the industry. Joseph served as the Chief Administrative Officer at Fieldpoint Private Bank & Trust (FPBT), heading the bank's Information Technology & Operations departments. Prior to joining FPBT, Mr. Larizza worked at Credit Suisse, serving a variety of management roles in the IT department, most notably as the Chief Operating Officer.

Mr. Larizza has also been an IT executive for Goldman Sachs Private Bank, Deutsche Asset Management, and Ernst & Young Consulting, where he started their New York Advanced Development Center practice. Outside of the office, Joseph enjoys fishing, boating, and spending time with his family.
